

**A.H.S. Class of 1986
Ten Year Reunion
1986 - 1996**

August 2 & 3, 1996

Dear Fellow Classmates,

Well, it is five years later and here we are again! It seems almost impossible that ten years have past since those high school days. We come together this weekend to travel back to that special time in our lives when things seemed less complex. We can treasure the time when referrals and tardy bells ruled our lives, instead of the multitude of responsibilities many of us face today. We can reminisce about the days when families, children, and jobs did not dominate our existence - when we actually had time to play and "hang out".

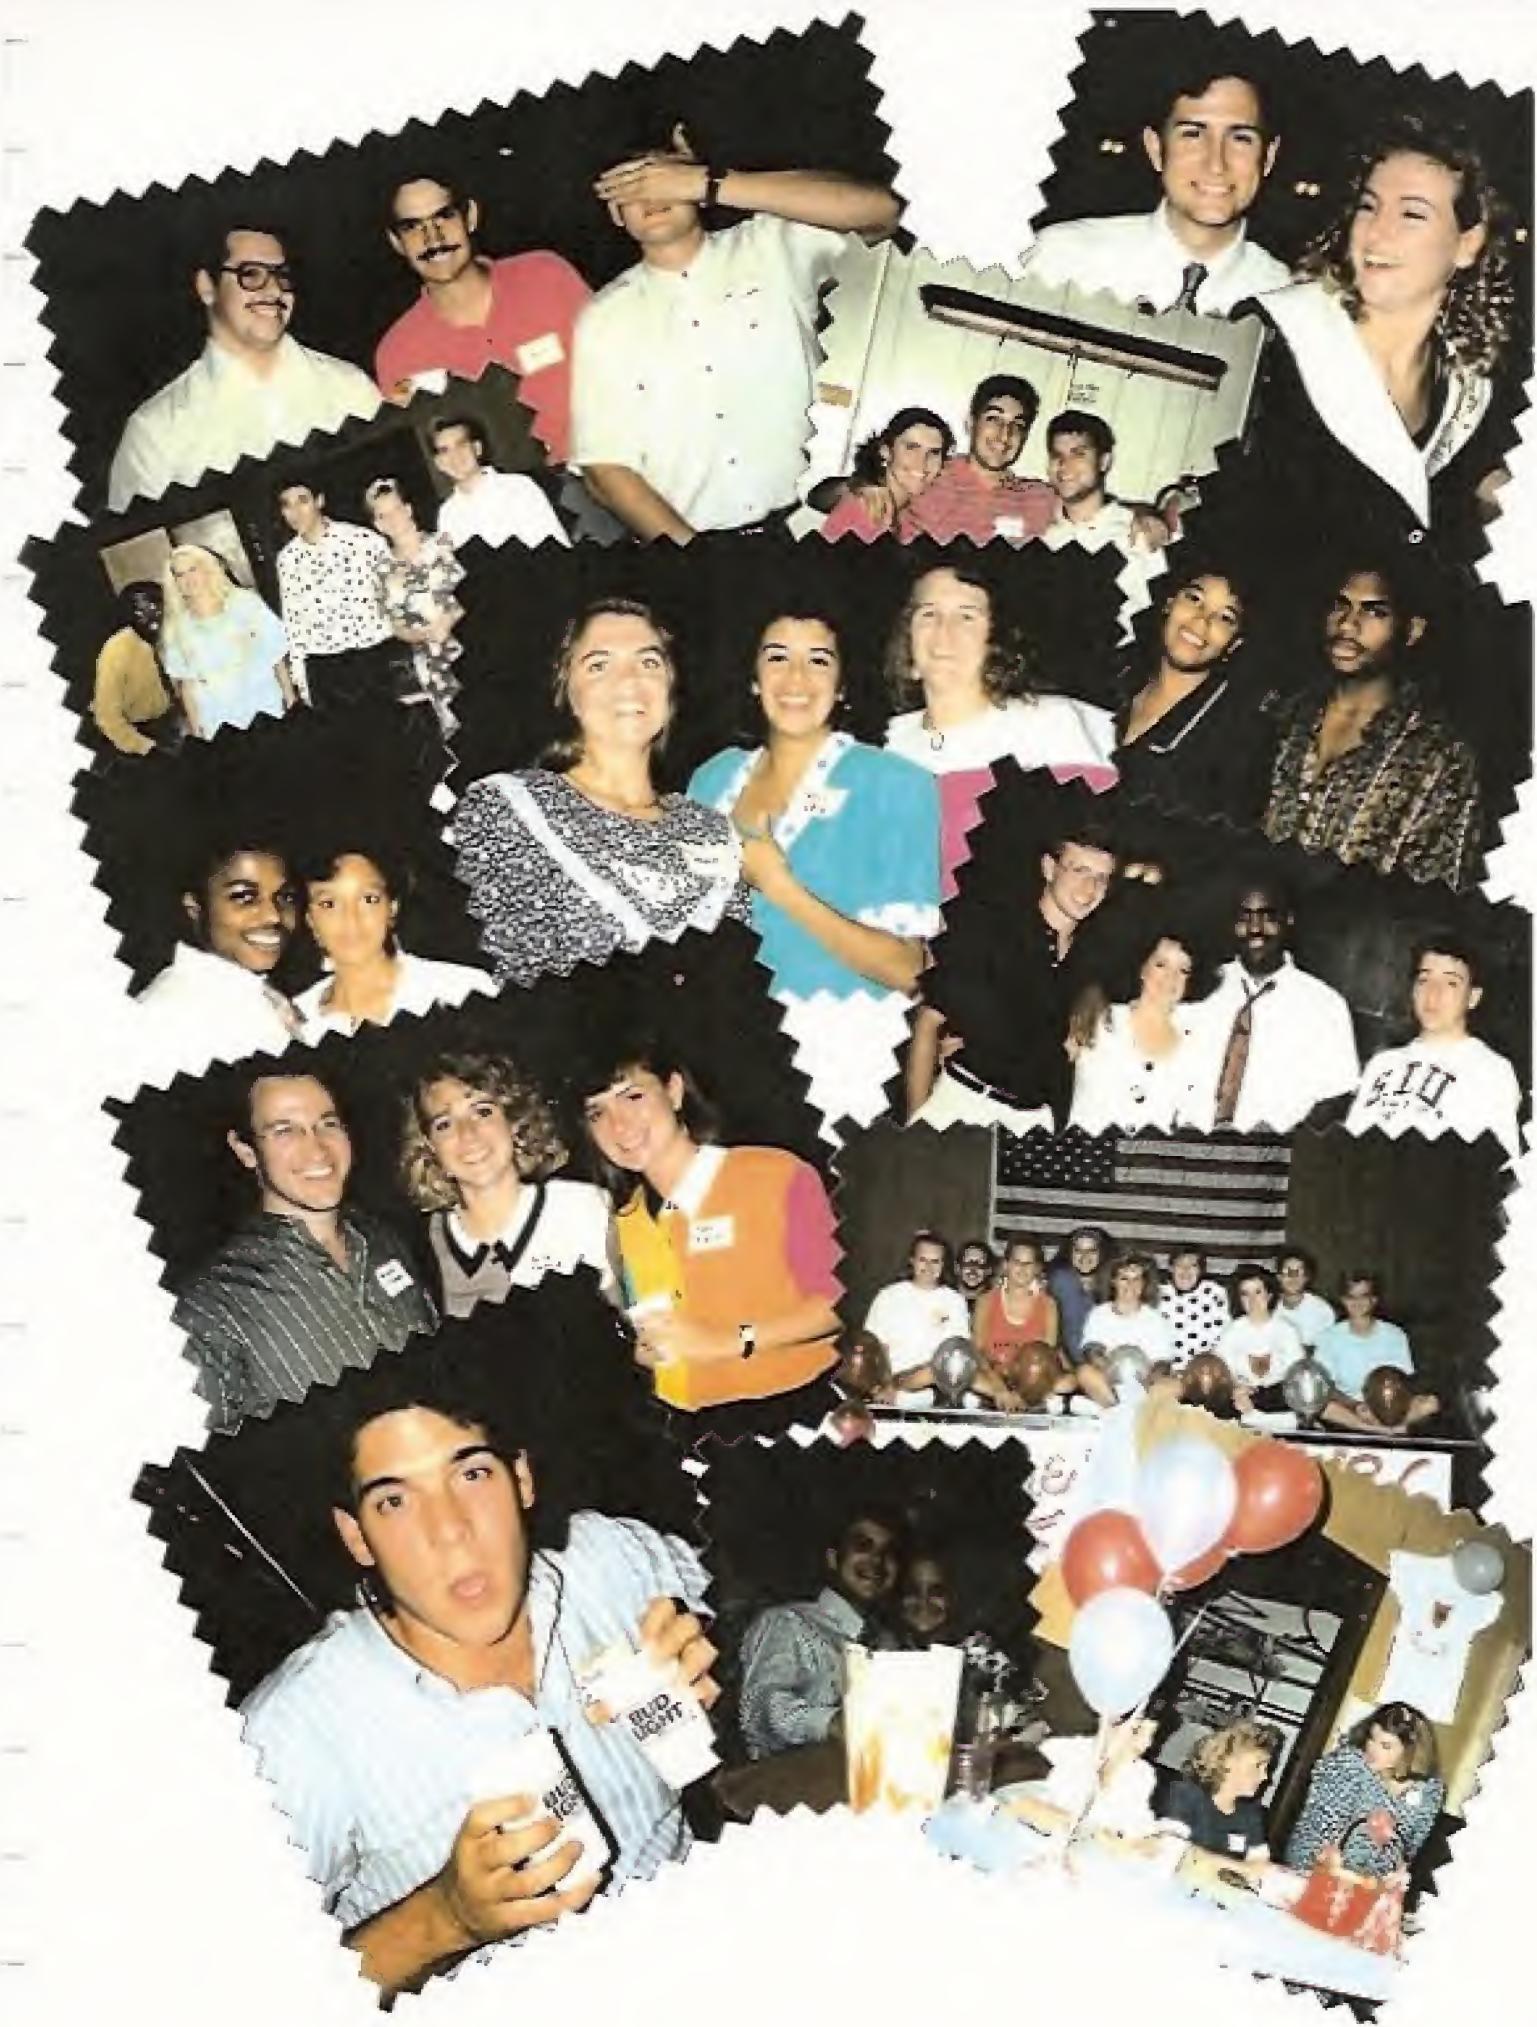

In addition, many of us have experienced numerous changes, and some of our families have grown. Fortunately, we have this weekend to become reacquainted with each other, to learn more about the changes in each others' lives, and to meet the many new spouses and families. Let us join together and enjoy this wonderful weekend which was made possible through the hard work of the Reunion Committee.

Today, we have only memories of our high school days. We each have many good (and some bad) memories. As we meet again this weekend, we have the chance to share our favorite stories. As we grow older and our lives become more complex, the memories grow ever distant, leaving them difficult to reach. Perhaps tonight, surrounded by our fellow classmates, those precious memories can once again be revived and shared. If we remember nothing else, we must always know that our Class of 1986 is special. The unique qualities of our class are what bring us together again tonight.

Enjoy your reunion weekend,

Rebecca (Snyders) Darr
Student Senate President
